Please join us to learn about:

- Massachusetts Technology Assistance Resource Team (MASSTART) - Helps Families and Schools Plan for the Health Care and Safety of Children with Special Health Care Needs
- Supplemental Security Income (SSI) – Eligibility & Application Process
- MassHealth/CommonHealth - As a Primary or Secondary Insurance
- Premium Assistance Program - How the State Can Help Pay for Your Primary Commercial Insurance Premiums
- Kaileigh Mulligan Home Care Program - Home Care for Disabled Children

The CASE Collaborative is Committed to Supporting Children with Special Needs and their Families

MASSTART
Massachusetts
Technology Assistance Resource Team

This workshop will provide an overview of public benefits available to children with special needs and their families that will include eligibility criteria and the application and appeals processes for SSI, MassHealth/ CommonHealth, and Kaileigh Mulligan programs. In addition, an overview of the MASSTART Program will be provided. MASSTART is a free program providing services for children with special health care needs especially those who may be assisted by medical technology in the school setting.

Please register via email to: scampbell@casecollaborative.org
A Zoom Link will be emailed to registered participants one day before the presentation.

We hope you will join us for this informative presentation.

Parent's, caregivers, and professionals are welcome to attend.
